	Totals:	= _____	_____
	Fees Submitted (Processing + Use)	= _____	
	Balance Due	= _____	

* The use fee for docks less than 3000 square feet is a one time fee paid at the time of application submittal. Docks 3000 square feet or larger will pay a use fee equal to \$0.06 per square foot, billed annually, after the permit is issued. Accessory structures approved to extend over the lake and breakwaters will be assessed a use fee at the same rate as a dock.
